National Wetlands Inventory Overlay

Lewiston GIS

Map is provided by the City of Lewiston. Aerial Photography and mapping compilation were performed by James W. Sewall Co. by photogrammetric methods from aerial photographs dated May 5, 1997. Planimetrics and topography features meet National Map Accuracy Standards for 100 scale maps with 2' contours.
Horizontal datum: NAD83 State Plane Maine West FIPS 1802 (Feet). Vertical datum is NGVD 1929. Units: Feet. Parcel overlay, if displayed, is for reference only, and shall not be used for description, delineation, or transfer. The City of Lewiston shall not be held liable for damages due to discrepancies, and makes no warranty of accuracy of map or data. Field verification is required.
