

CITY OF LEWISTON PRESS RELEASE

OCTOBER 12, 2018

LEWISTON: The Lewiston Youth Advisory Council (LYAC) is continuing its **Shine on Lewiston** outreach by now providing an online submission form for residents/visitors to share **“City Positivity”** about Lewiston, good things that happen here, and all it has to offer. This is a follow-up to LYAC’s recent **“Let’s Get Down to Business . . . Shine on Lewiston”** business interview series distributed through social media.

The form at <http://www.lewistonmaine.gov/positivity> provides a venue for community members or visitors to share their own **"pride in Lewiston"** comments. LYAC believes this opportunity will shine a positive light on Lewiston and enhance its sense of community. LYAC

will review entries and **“get them out there”** via the press and social media. (DISCLAIMER: LYAC has full discretion as to what is appropriate for public distribution.)

LYAC suggests the following topics for input or an “other” Lewiston positive and encourages individuals to use their voice to support their own city or reflect upon a positive experience when visiting here:

- Experienced a Pay It Forward Moment;
- Why Did You Move Here;
- Thank a Local Worker;
- Success in Community Gardens;
- What’s Possible in Lewiston;
- Meaningful Heritage Story;
- Proud of My Student(s) Moment;
- Over the Moon Athletic Moment;
- Proud Parent/Grandparent Moment;
