

**Legend**

 Drainage areas apparently draining direct to receiving waters, or outside city boundaries

# Stormwater - Direct Drainage Areas Study

1 inch = 2,000 feet

Map is provided by the City of Lewiston. GIS map data acquired from the City of Lewiston, Maine. Aerial Photography and mapping compilation performed by James W. Sewall Co. by photogrammetric methods from aerial photographs dated April 9, 2006. Planimetrics and topography features meet ASPRS Class 1 accuracies for 1"=100' mapping. Horizontal datum: NAD83 State Plane Maine West. Vertical datum: NAVD 1988. Units: Feet. Parcel overlay, if displayed, is for reference only, and shall not be used for description, delineation, or transfer. Any service utility information shown is intended for general information only. Other utilities may be present, and the appropriate utility owner should be contacted for detailed information. GIS data is not intended for engineering design. The City of Lewiston shall not be held liable for damages due to discrepancies, and makes no warranty of accuracy of map or data. Field verification is required.
