

ADOPT-A-SPOT PROGRAM

The Adopt-a-Spot program is a cooperative effort of the Androscoggin County Chamber of Commerce, the City of Lewiston, and the City of Auburn. The program is designed to promote beautification as well as a sense of pride within Androscoggin County.

Businesses that are chamber members adopt a spot and create a beautiful area by arranging and planting plants/flowers of their choice. Participants are responsible for maintaining their spot throughout the spring/summer season with adequate watering, mulching and weeding as necessary.

The Chamber provides all participants with an Adopt-a-Spot sign with their name on it to display in their spot to recognize them for helping to make the area more attractive for all to enjoy.

For more information about the Adopt-a-Spot program or to participate in the program please contact The Androscoggin County Chamber of Commerce at (207) 783-2249.
