

# Safer Walking Forum

Explore possible strategies to help make the streets of Lewiston safer.

## Our second forum in our series on pedestrian safety

Join Lewiston, MaineDOT and the Bicycle Coalition of Maine for our second community forum on pedestrian safety. Let's delve into the risky behaviors and attitudes of both drivers and pedestrians. Together, we'll explore possible strategies to help make the streets of Lewiston safer. Learn about Lewiston's current efforts and how YOU can get involved in making your community safer.
