**LEWISTON: The Lewiston Public Library, 200 Lisbon Street, will be closed on Wednesday, August 2, 2017.** Library staff will be rearranging the first floor fiction and large print sections in order to increase access and make it easier to find books. In addition, a library server migration is scheduled for all day August 2<sup>nd</sup>, which will cause various systems to be unavailable, including the online catalog and library account information. Digital services through LibraryLA.org will still be available. The library's two book drops will continue to be monitored throughout the day, so any item returns will be unaffected.

Systems will be back online August 3<sup>rd</sup>, and the library will be open its usual hours. For more information, residents may contact the LPL Adult & Teen Services desk at 513-3135 or [LPLReference@Gmail.com](mailto:LPLReference@Gmail.com).
