## Inspection Notes

\*\*OK to issue regular license as of 1/25/2022.

Certified Food Protection Manager: Kevin Cunningham exp. 11/21/2022 Lynellen Rose exp. 9/28/2024

Every eating establishment must employ on its staff a Certified Food Protection Manager (CFPM). Some establishments are exempt from this requirement. A CFPM certificate must accompany the application for a new establishment and change of ownership. A CFPM must be hired within 60 days of the departure of the last CFPM leaving employment. Eating establishments must post in a conspicuous area the certification of the CFPM(s), and the certificate must be made available to the Department upon request. For a list of CFPM courses and trainers go to <http://www.maine.gov/healthinspection/training.htm>. Please provide a copy of this certification(s) to Casandra Lavallee, Health Inspection Program, 286 Water St. 3rd Floor, Augusta, ME 04333, [casandra.lavallee@maine.gov](mailto:casandra.lavallee@maine.gov) or faxing to 207-287-3165. Please include the name of your establishment and the establishment ID# with your certification(s).

### Employee Health Policy

The Health Inspection Program implemented an educational public health initiative on Employee Health on March 1, 2017. The policy handouts will be provided to you by your inspector and reviewed during inspection for compliance. They are also available on the Program's website: <http://www.maine.gov/healthinspection>

### Violation Correction Timeframe

Critical violations should be corrected on site, but in any event, within 10 days. The licensee must contact your inspector, Laurie Davis when the critical violation has been addressed at 207-592-5573 or [laurie.davis@maine.gov](mailto:laurie.davis@maine.gov). Non-critical violations must be corrected within 30 days. Failure to satisfactorily correct these violations before the follow-up inspection may result in enforcement proceedings by the Department to include fines and penalties. License renewals can be denied if violations are not corrected within the noted timeframes.

C= Critical violation and NC= Non-critical violation

"Critical violation" means a provision of the Food Code that, if in non-compliance, is more likely than other violations to contribute to food contamination, illness or environmental health hazard.

### Additional Inspection Fee

License fees provide for two inspections per year. When additional inspections are required, the Department may charge an additional \$100 fee to cover the costs of each additional inspection or visit.

### Document Retention/Posting

Pursuant to the Maine Food Code, the establishment's current license must be displayed. In addition, a sign or placard must be posted in a conspicuous area notifying consumers that a copy of the most recent inspection report is available upon request. CFPM certificates must be posted in a conspicuous area and must be available to the Department upon request.
